

List of UTZ certified cocoa producers

List valid on: December 28, 2021

IMPORTANT TO KNOW:

- This is the list of UTZ cocoa members certified against the Code of Conduct (Producers).
- All members, except for those suspended (see column 'License Status'), hold a valid UTZ license **on the date of publication of this list** (see subtitle).
- Suspended members in this list are members whose licenses are effectively suspended **on the date of publication of this list**. Lists are updated monthly.
- Suspended members cannot sell their product as certified.
- Please note that many UTZ certified members are groups, multi-site or multi-groups where not all participants are (yet) part of the UTZ program.
- The list on our website currently features members who are suspended from certification following non-conformities as well as members who have been decertified from the UTZ certification program. **After 3 months** decertified members will be omitted from this list if they fail to renew their certification status.

If you need more information about a member, please send your question by email to cs@ra.org including the ID and name of the member.
